**Omega Legal Systems, Inc. Hires Keith Gall as
Vice President of Sales and Marketing**

SCOTTSDALE—July 14, 2010—Omega Legal Systems, Inc., the new leader in time, billing and accounting solutions for mid-to-large sized law firms, is pleased to announce the addition of Keith Gall to its executive management team as Vice President of Sales and Marketing.

“Keith brings a wealth of knowledge, experience and a fresh perspective to Omega. His strengths in strategic planning, marketing and new business development will be instrumental in sustaining the rapid growth and unprecedented sales we’ve experienced over the past 18 months,” said Don Gall, President and Founder of Omega Legal Systems, Inc. “With his focus on client satisfaction and product marketing innovation, as well as the company’s bottom line, Omega is well-positioned for continued expansion, outpacing many of our competitors.”

In his role as Vice President of Sales and Marketing, Keith will manage Omega’s national sales team. He is also charged with streamlining the sales process and developing new marketing programs to boost sales revenue and company awareness across the country.

“For Omega, a small-sized company relative to its competitors, to have been in business for more than 35 years is an amazing testament to the employees and customers we serve. In fact, we have 75 clients who have been with Omega for more than 15 years, and six have been clients for more than 25 years,” said Keith. “Not only is this commitment to product and client service tremendous, but it’s also exciting for me to now experience firsthand.”

Before joining Omega Legal Systems, Inc., Keith was employed in the healthcare industry with Thomson Reuters for more than 10 years, implementing data warehousing and decision support solutions. Keith is a graduate of the University of Arizona, located in Tucson, where he earned a Bachelor of Science degree in Business Administration. Additionally, he earned his Masters of Business Administration from California State University, Sacramento.
